

# WEST TEXAS Wine Walk

Presented by PAVECON Benefiting Lubbock Monterey AMBUCS

The Lubbock Monterey Chapter of AMBUCS, in partnership with our presenting sponsor, PAVECON, is proud to present the second annual West Texas Wine Walk, benefitting physically challenged children and adults in our community. All proceeds from this year's walk will be used to purchase therapeutic bicycles called AmTrykes®. Currently there are 28 different versions of the AmTryke®, specifically designed to meet the needs of children; big and small, adults and our returning Veterans. These unique bicycles can be powered with hands, feet or both. The AmTrykes® therapeutic benefits include independent mobility, building strength and self esteem, improving motor coordination and range of motion and social interaction. We hope that you will join us as we continue the AMBUCS mission of providing opportunities for independent living for those in our community with disabilities. The Wine Walk will be held Saturday, April 22nd at Llano Estacado Winery.

## Presenting Sponsor: PAVECON

- ▶ Naming rights of wine walk; Name on the front of the t-shirt; 2 AmTrykes given away in their honor; event signage; event wine glasses and your clickable logo on [www.montereyambucs.org](http://www.montereyambucs.org).
