Creating Mobility and Independence for People With Disabilities

AMBUCS Story

Lubbock Monterey AMBUCS is a nonprofit charitable organization with a diverse membership dedicated to creating mobility and independence for people with disabilities.

Lubbock Monterey AMBUCS puts this mission into action in the Lubbock and surrounding communities by:

- Providing Amtryke therapeutic tricycles to individuals unable to operate a traditional bike. The Amtryke is specifically designed to meet the needs of children; big and small, adults and our returning Veterans. The therapeutic benefits include independent mobility, building strength and self-esteem, improving motor coordination and range of motion, and social interaction.
- Award academic scholarships to therapists at the Texas Tech University Health Sciences Center School of Allied Health Professions.
- And performing various other forms of community services for people with disabilities.
