YOUR SPONSORSHIP HELPS FUND THESE IMPORTANT PROJECTS

AmTryke®

Since its inception, the AmTryke Therapeutic Tricycle Program has been about abilities, not disabilities. The goal is to provide people with disabilities with all the classic benefits of riding a bike - mobility, strength, exercise, coordination, interaction with family and friends, and just pure fun!

Scholarships

Lubbock Monterey AMBUCS raises funds for the Scholarship Program for Physical Therapy, Occupational Therapy, Speech Language Pathology, and Hearing Audiology Students through the Texas Tech University Health Science Center. It's these students who will become the future professionals that are required by National AMBUCS to recommend the AmTrykes.
